CO-3030 PLUS
LED Dragon Search Light

Features:-

- Ultra Bright Led Light
- High Intensity Light
- Extensive lifetime of Led
- Multi-Mode Operation
- Effective Range 1000Mtr

CO-3030 PLUS
LED Dragon Search Light

Technical Specification:

- Operating Time-10degC to- 55degC
- Input AC Charging: AC 220 V 50HZ
- Front Dia: 155mm approx
- Output Power: 10W
- Switch: push-button middle switch
- 3 mode Output Function: Full Bright, medium Bright, Strobe Function
- Max Lumens: 1000lm
- Led Lamp: CREE T6 10W
- Led Service life: more than 100.000 hours
- Rated input Voltage: AC110-220V
- Voltage Frequency:50hz-60hz
- Lead Acid rechargeable in built battery
- Charger: external charger provided.
- Battery Voltage and capacity: 6 Volts & 4AH /4Volts & 6AH
- Environment humidity: less than 90%
- IP 65 Compliance
- Working time: low light about 9 hours, Max light about 7 hours, Charging Time: 8-10hours
- Weight: 1350gms
