

Co-YK-E221 (Hand Held Led Search Light)

Features and Specifications

Led Wattage :5w

Colour Temperature of LED: 6500

Life of LED in Hours: 100000

Brightness (Lumens): 350lm

Body Material: Aluminium alloy

Colour: Black

Dimension(L*W*H)mm : 168*42*30, Front Dia-42 mm

Weight with battery : 228.2g

Range of Light beam: 100-300mtr

Battery type : 3.7V- 1200mah, Rechargeable Lithium –ion Battery

Battery charger Type : DC, USB charger, 5V, 1A

Battery automatic cut off when fully charged : YES

Battery full charge indicator: Charging Light turns green

Battery life : Circularly charging for 500 times

Operation Mode : 3 modes (strong / Red laser/ strong light +red laser)

Additional Feature: Rotate the head to focus

Charging time: 4-6 hour

Working time : 2-3 hour for strong light ,4 hour for laser , strong+laser-2 hour

Operating Temp -10 To +55Deg C, IP 66 Weatherproof
